September, 2009

Cedar shores By-Law Books

There are a limited number of Cedar Shores By-Law Booklets still available for purchase. These booklets are reprinted from the last edition of Original Green Book that included all three phases of the Condominium Park. These reprinted booklets are available at the Park Office at the charge of \$8.00 each.

Our deepest sympathy goes to the family of Sylvia Brunskill, Lot 142. She

Storage Area

The storage areas are progressing nicely. We have rented about 65 lots. There are items in the storage areas we cannot trace to the

owners. We have tried to contact everyone we can, if we have identified their property. If you have anything in storage and have not been contacted, please call the office and let Cindy know about your property. Please let us know by May 1, 2010. Anything that has not been identified by May 15, 2010, will be removed from the storage areas and held for 30 days. The board will then determine what to do with the unclaimed property. Thank you for your cooperation.

Dick Wagner

Storage Committee Chairman

Thanks to all the Volunteers

If you were among the many persons enjoying the beautiful Labor Day week-end at Cedar Shores, you certainly had the opportunity to participate in some well planned activities for the young and old.

Our most sincere "Thank You" to all the many volunteers

whom so willingly gave of their time and talents planning and supervising the various activities that many of our members, their families and friends enjoyed.

Without a doubt, there will be many Cedar Shores members looking forward to enjoying such activities next season. The many participants in the Children's Games, golf Cart Rally, Hay Ride and Karaoke evening session at the Recreation Hall, to mention a few events, certainly attest to the enjoyment many experienced.

#### Truck Update

This is to inform the co-owners that in a meeting with the Park Manager, the Board learned that the park pick-up truck is in need of repair. The truck's transmission is slipping, the exhaust leaks, the manifold is cracked, the

engine may need a valve job, a brake job, the rotors need turning, one of the hubs(4 wheel drive) won't stay in. these repairs will be very expensive to say the least.

The Board decided we should look into replacing the truck instead of spending thousands of dollars on a 9 year old truck that could need more repairs next year.

The Board will meet again to go over purchasing options and various quotes.

The truck was scheduled to be replaced in 2010 but because of its condition we need to replace it sooner or spend a lot of money in repairs to get it ready for winter to plow the mandated roads throughout the park.

Speaking of snow plowing, a reminder that if you want your drive plowed this winter, it is \$30 for the season. You will need to call the park office (989-539-2051) by October 15. If you don't call by then, the cost is \$20 to plow your drive on a per telephone call basis, for each time you come up.

Your Board President

Kris Struble

The 1st place winners of the amazing golf cart rally were Lot 71 the Herald Klan, Mickey, Michele, Nate & Christy.
