Hello everyone, my name is Tracy and I will be your new Cedar Shores Recreation Committee Chairperson. I am new to CS this summer. I am on lot 243 along with my husband Bob and sons, Kazen and Jonathon. I am looking forward to working with all of you. I can be reached at csrec.tracy@yahoo.com or 989-666-1628. I am available for ideas or questions as well as looking for people with special hobbies or talents that can be shared. And of course I will be looking for helpers to help with activities next year. Please feel free to contact me anytime.

Volunteer Openings are Available

Many committee positions and project openings, for the upcoming season, are available and can use your help. Your time is needed to reassure that the Campground continues to be a fun and attractive place to enjoy. If you have some knowledge, experience, and time to contribute to C.S., please contact a Board Member or management. Many of the past volunteers have stepped down and opened up a need for New Blood to fulfill the obligation. Everyone needs to take their turn giving some time to keep the campground looking good and having fun things to do. Please consider taking just one item. If each person took just one event, one activity or one project, it will help from the few that keeping giving and eventually burn out.

You are needed and your time will be appreciated

From the desk of the
Park Manager

Since my last report we have been busy trimming trees on the roadways and making some improvements around the park, such as painting and staining of the gate and rail fence at the entrance to the park.

As a safety reminder please make yourself aware and understand the rules and regulations on the operation of golf carts. These rules are for your safety. In light of the recent incident in Petoskey of the death of a 36 yr old woman who was killed when she fell off a golf cart. This shows how quick a tragedy can occur. Let's keep your park safe.

As a reminder trash days are Friday Saturday and Sundays and all holidays. Any other days please take your trash to the dumpsters.

Holiday schedule for septic pump outs will be done on Tuesday Sept 3rd. Anyone in need of a emergency pump out must go to the pole barn and put your name and lot number in the suggestion box. Emergency pump outs will be done Sat, Sun, Mon from 830 to 4pm. Any after that will be done the following day.

Volunteers are needed to help with security for the labor day weekend. Please get in touch with me and let me know .
