From The Desk Of The Park  
Manager

Labor day holiday went great. Very little problems and a lot of happy kids.

Special thanks to all involved in the activities. Everyone seem to have fun and that's what its all about. As we slowly approach the end of the season here is a few notes to remember for the 2014 season.

Golf carts must have your lot numbers on them. 3 inch numbers on the side.

Lot numbers must be posted on your lot markers. This ensures emergency vehicles to locate your lot without delay.

Take the time this winter to get familiar with the rules and regulations of the park. Its there for your information and safety.

Any work being done permits will be available threw the park manager during the winter season.  
2013 Park Water Shutoff Schedule

As of Sept. 9th 2013 we will be starting Final pump outs. This is for anyone that is closing there unit for the winter and wishes to clean out there holding tank. We have a wand on the septic pumper you can use. Please let Wally (park Manager) know when you wish to do this so it can be scheduled in.  
Thank you

Water will be turned off to the park on Tuesday October 15th 2013 at Approx 9 am. The grey bathhouse will remain open for the winter months for water and showers.

As of October 14th all services such as trash pick up, septic pump outs, mowing, and all services will end for the season. All trash as of October 14th please take to the dumpsters which will be located at the pole barn by the main office.

Any lot owners that would like to have there lot

snow plowed out for the season please contact Wally or Email the office at [cscampground@gmail.com](mailto:cscampground@gmail.com) or call the office at 989 539 2051. There is a 30.00 fee for this service payable to cedar shores. This service is done every time I plow out the park.

There is a 20.00 fee per call in for snow removal.

Please make sure all your information sheets are current with phone numbers and emails. This will aid in contacting lot owners over the winter if in case of a emergency.

I'm currently keeping a log on lots that have already closed for the season. Please let me know or park staff if you have closed. This will also help when I do security runs.

There is still plenty of room to sign up to have your unit winterized.

60.00 per unit  
make check payable to: Wally Warner
