From the Desk of the  
Park Manager

Good Morning,

To start off, the yellow bath house has been repainted and trim has been fixed. Some of the exterior doors were replaced and also painted. I would like to thank Kurt France, Lot #259 and Denny Sluyter, Lot #251 and Chris Bennett, Lot #320 for all of their help and making it a fun two days. Electric issues in the grey bath house have been fixed.

Volunteers are needed for the upcoming Labor Day weekend for security. Please let Sandy or myself know if you're interested in helping out.

If you're renting your lot, please inform your guest of the Rules and Regulations of the park, especially any of your guests that have a CCW and carry a firearm. Cedar Shores is a safe and family oriented campground. We do our best on monitoring and handling any issues or safety issues that may come up. There is no reason that a firearm needs to be carried throughout the park. Please lock it up in your unit until its time to leave.

On another note, some septic tank signs have been moved closer to the road, making it easier to see. If you haven't done so, please move it closer to the road so it can be seen as we approach.

On September 27, I would like to schedule a work session. This includes cutting up firewood, collecting benches throughout the park, taking down the volleyball and basketball nets, and many more duties. If interested, let us know. There is a lot of firewood to split, so extra splitters are needed. We will start at 8:30 a.m.

### WINTERIZING

Wally and Sandy will be doing RV winterizing again this season. I will be keeping the same rate as the last four years, \$60.00 per unit. As always, let me know if you want your unit winterized so that I can place you on the list. It fills up fast, so don't wait. Payment is due before the job is complete. Make checks payable to Wally Warner, and mail it to Wally Warner at 5916 Cedar

Shores Drive, Harrison, MI 48625. **Do not make checks payable to Cedar Shores or include the payment in with your electric or Association Dues. This is NOT a park service.**

Thank you and have a great day.

From the desk  
of the  
Office Manager

At the last meeting, I mentioned that I was working on electric readings and getting any errors fixed. Most of the them have been fixed. I still have a few that are taking more time to reconcile. Meter readings for August have started and will be mailed next week.

If you're planning on prepaying for the 2015 season, please put prepaids in a separate check so proper credit can be issued.

Office hours are from 9 a.m. to 12 noon on Saturday's and Sunday's. Please do all business during this time. Please be patient when coming to the office. If I'm busy with a lot owner, please wait outside until I'm finished to assure that everyone's business is handled privately.

Thank you.
