Happy Spring Cedar Shore Members

Saturday July 5 @ 9-1

It is time to get this campground up and rolling. I am looking forward to having some fun in the sun. I know the calendar said it was spring and it will eventually find its way here. We will have a lot of fun events and activities happening again this year.

Of course I will be looking for volunteers for events and committees that need to be filled. I promise not to scream or be mean at anyone who steps up to help. Although I can be a little force full at reeling you in, just ask a couple of the girls who were ticket runners for me last year. No was not an option. You know who you are and I will laugh about it for a long time. I really do appreciate all of you that can take the time to help, no matter how big or small of a job it may be. Everyone helping together will make it fun for all. All I ask is for you to consider helping so that it does not become overwhelming for a few to do it all. OK, end of my speech for volunteering.

I am looking for someone to help with the Beautification Committee. I need somebody that will help maintain the flower beds and someone with knowledge of taking care of the plants. The flower beds can be split for a few people to help with.

I will be posting events on the CS website calendar with information. There will also be a large calendar in the Rec Hall and in the office with information. I will also post on the CS Face Book page. Be sure the check these out from time to time because new activities may be added.

From The Desk Of The Park Manager

All services have begun. This is the 2014 Services Schedule:

\* Septic pump out: Monday and Friday.

If you need to be pumped out, make sure your signs are turned. we only stop at the ones that are showing that you need to be pumped out. If you need a sign, please contact me via e-mail at cscampground@gmail.com.

\* Trash:

Trash will be picked up on Saturday, Sunday, Monday, and all holidays. any other day, please take your trash to the dumpster. Do not leave your trash out.

\* Grass:

Anyone who does NOT wish to have their lawns cut, please mark you lot markers with yellow ribbon or tape. Otherwise, we will be cutting your grass.

\* Leaf Pick-up:

Please separate sticks out of the leaf pile. No rocks or dirt please. Many piles have these items in them and it is messing up the leaf vacuum. If piles are contaminated with these items, they will NOT be picked up. This machine makes it easier for everyone in the park and is expensive to repair, so please help take care of it. Branches or twigs make good fire starters, so feel free to burn them.

\* Road Brine:

Road Brine is scheduled for May 20, weather permitting. Please do not park or put leaves in the roads.

The Park Manager's days off are Tuesday and Wednesday. If there are any emergencies during this time, please contact a Board Member or park employees, Bob Napora or Dale Zimmerman. Park management hours are 8:00 a.m. to 5:00 p.m. After 5:00 p.m., emergency calls only (i.e., need 911 assistance, waterline breaks, downed tree causing hazard to property, or electrical outage). For all other business, please wait until the following business day.

Thank you and have a great Summer!

### From the desk of the Office Manager

I have had calls about people renting and selling for holiday weekends. I am not allowed to give out phone numbers of co-owners. If you have family or friends who want to rent for the season or for holiday weekends the website has listings and information on prices to what is available. Information on the available lots should be on the site as well, so please do not contact me for phone numbers; If there is something that needs changed or removed from the website. Send Rick the information via email. I also do not do changes to the web page.

I am looking for volunteers to read meters this year. If interested please let me know.

Meters were read on the 10<sup>th</sup> and 11<sup>th</sup>. The statements will be going in the mail this weekend.

Co-Owners that stay for the entire season please let me know of the time you are going to be coming to stay. Addresses will stay the same until I hear otherwise.

Christmas in July is on the 19<sup>th</sup> this year, Terry wants to make sure that every one knows so that everyone can plan to participate. Starts at 1:00 pm.

I am not in the office during the day on week days. If you need to contact me send me an email either on cedar shores email or I can provide my personal email to those that ask.
