*Bins for returnables has been moved to outside of the Rec Hall.*

Good morning,

In preparation of the holiday weekend I'm asking for volunteers for security. If possible I would like to have at least 8 patrols going Friday thru Sunday . If interested let me know I will be having a meeting at the pole barn on Friday Sept 3rd at 6pm. Radios ,vest and signs will be handed out at that time.

As a reminder all golf carts, Atvs and side by sides must have your lot number on it. Please inform

your guest and have them place your lot number on them using a paper plate or other markers. Headlights must be working or you will be asked to park it for the night. Limit number of people riding on a golf cart etc such as 2 seats 2 people, 4 seats 4 people. Do not overload or you will be asked to have them walk. No standing on rear or sides of vehicles.

Emergency pump outs will be handled on Saturday and Sunday from 8am to 4:30 pm only. A charge of 20.00 per dump is required and billed on your next invoice. Regular schedule pump outs will resume Tuesday Sept 7th at 8am. Please fill out a work order located at the red shed in front of the pole barn. This work order also goes for any electrical issues at your pedestal.

This report will be posted on the website, Facebook and in the newsletter for your viewing.

Thank you and have a great holiday.

Wally

CEDAR  
SHORES  
DIRECTORY

Cedar Shores Directory Guide Cheryl Colburn and myself are updating the Cedar Shores 2017 Directory. In addition, we are adding a section for services that property owners are skilled in to help you in your area's of needs. An example would be electricians, plumbers, landscaping, CPR/AED certified, nurses, ect.

This is not a "requirement" by individuals by any means. If you would like your name, lot number, e-mail or phone number, along with a talent or certification that you would like public, please send to cherylcolburn2014@gmail.com, or julie.suniga@gmail.com. or stop by either of our lots #73 or #294 to submit.

Any member not wishing to have their information, will not be published.

Please keep in mind this is something Cheryl and I are doing on our own, with the parks knowledge, but they are not responsible.

## LAUNDRY ROOM

Reminder:

The laundry room is not under contract to be cleaned by employees of the park, like the Bathrooms are. It is up to those individuals that use the Laundry facilities to help keep it clean. Let's all please do our part, along with following the guidelines posted for using the machines, thus helping the equipment to last longer.

## WANT YOUR RV WINTERIZED

Wally and Randy will be doing winterizing again this year. 60.00 dollars per unit. All checks to be mailed to Wally Warner 5916 Cedarshores Drive, Harrison Michigan 48625.

Please put your lot number in the memo area . This is not a park service. Randy and I do it on our off hours. Thank you
