September 17

Annual Board Meeting

September 3

Coffee Hour

September 3

Come and join us. Doors open at 9:30 AM.
This is where the holiday drawings will be held.

Don't forget to buy your tickets.

Coffee, Juice boxes for Kids & Donuts will be served. We would appreciate a donation so we can continue providing these items.

If you have never been to a coffee hour, it provides a way to meet your fellow lot owners.

INFO ON THE CANDIDATES RUNNING FOR THE BOARD

Election will be held right after
the Annual Board Meeting.

Hello Friends and Family....

The majority of you know who I am already but for the few that don't, my name is Jason E. Rengert. Resident of our beautiful little place called Cedar Shores Campground since late 2018. Father of two beautiful teenagers that have grown so much in this park. Employed as a Public Safety Officer (Police Officer, Firefighter and Paramedic) in a small-town North of Detroit. Hopefully retiring in less than 4 short years. President of the POAM Union at my department. Negotiated the last three contracts with the City Council and City Manager. I am currently your Board President. I volunteered for the Board position in September 2020 as a Trustee for the first year then President the second year. I truly enjoy learning the ins and outs of how the Park runs. I ran on the platform of being transparent with everything and being approachable at any time. I might not be a full-time resident in the Park, but I give myself 24/7- 365 coverage to be available for anything Park related. I'd love the opportunity to represent our Park again. Thank you for your time reading this.

Respectfully,

Jason E. Rengert Lot #85
President
Cedar Shores Board of Directors

Barry Barden

I am a retired Automotive Engineer. My wife and I have been Co-owners here at Cedar Shores since 2017. My children and grandchildren have also enjoyed the park over the years. There have been many changes within Cedar Shores since I have been here, mostly good. I joined the board 2 years ago with the desire to help the park continue to move forward and would like the opportunity to continue that quest for the next couple of years.

PIC•COLLAGE

Karen Hatch, lot 8

I am a full time resident of Cedar Shores, originally from Westland, MI. My late husband, Vince, and I bought lot 119 twenty-four years ago before our son was born. We moved to my parents' lot (8) in 2016. We wanted to be part of Cedar Shores so our son could grow up spending summers in a safe, fun and friendly environment close to family. I joined the Welcome Committee last year and became the Chair this season .

I am a chemical engineer by training and worked over 30 years in the environmental field. I bring experience running projects and managing budgets to support the board and the campground. I enjoy working on a team and want to continue to contribute to the future of Cedar Shores. As a board member, I will work to maintain and improve the family friendly atmosphere.

PIC•COLLAGE

Colleen Rupert, Lot 288

Dear Members of the Cedar Shores community,

My name is Colleen Rupert and I am running for the board of this fine community.

My husband Bob and I purchased our lot 288 in the fall of 2019. We finally made the decision to become stationary campers and we absolutely do not regret our choice. We have met so many wonderful people in our short time at Cedar Shores.

I have two grown sons and three grandchildren, who absolutely love it here as well. My hope is to have this place be serenity for years to come.

The people that I have gotten to know since becoming an owner have shown me that they really do love this place, as you may all have seen or heard that most lot owners refer to this as their "Happy Place". I was floored to see just how much support and generosity that the owners and their guest showed when the auction took place, and watching the community show up for the luminary ride this year. It really shows me the sheer excitement that the people and their guest have for all of the events that are scheduled. I for one have been involved with the grandchildren actively looking for Toby and Wally, what a great way to make extra money for special projects for the park.

It really made me think that I needed to take on a larger roll and hope to make a difference for the future of Cedar Shores. I believe my past experience being on two association boards first a secretary and the second as president will help guide our community to prosper in the future for other generations to come.

Thank you in advance for your support
